Dear participants!

We would remind you that September in Vladivostok is a favorite month for tourists, so we recommend you to think about hotel reservation in advance. You can do it personally by call to a selected hotel (see a “ [Hotels](#) ” link) or via the organizers of the conference.

On the subject of hotel and excursion reservation as well as other organizational issues please contact Andrei V. Grebennikov, Head of the International Department, e-mail:
